Snake Memories and Other Stories

by Diana Rivers

One Last Smile with the Snake: Remembering Kenny Stabler . 14 May 2018 . I did have specific fearful memories involving snakes, but more important, I had a general memory. Just like seeing a bicycle and knowing how to ride it, I had stored a basic memory of snakes. I was terrified of them. I remember being about five or six years old and seeing a snake in the grass near our house. I screamed and ran inside to tell my parents. They calmed me down and explained that the snake was non-poisonous and not dangerous. This memory stayed with me for many years.
