Speaking Truths

by Dayna Hester

Speaking Truths: Writing About Trauma PAFA - Pennsylvania. 22 Apr 2015. Once I began to bring my awareness to the concept of speaking the truth to those around me, at first it was terrifying. Telling people what I really think, speaking truth to power, can be a daunting task. However, the Quakers have a saying: “Speaking truth to power” is the way to effect change.

Speaking Truths with Film: Evidence, Ethics, Politics in Documentary. - Google Books Result. Coined by the Quakers in the 1950s, “speaking truth to power” is a movement to use the power of speaking truth to bring about change. This movement has been used to bring attention to a wide range of issues, from the Vietnam War to the current #MeToo movement.

Speaking truths to power. Those four little words comprise a powerful call to action. Coined by the Quakers in the 1950s, “speaking truth to power” is the way to effect change. As a child, I was brought up with the concept of speaking the truth. My parents always told me that honesty was the best policy, and I’ve carried that message with me throughout my life.

Speaking the truth to power means being courageous enough to tell the truth, even if it is uncomfortable. It means standing up for what you believe in, even if it means going against the grain. It means not being afraid to speak out, even if it means being met with opposition. It means not being afraid to speak your mind, even if it means being called a “know-it-all.”

Speaking the truth to power is not easy. It can be frightening to speak up, especially when you are fighting against powerful forces. But it is essential if we want to see real change. It is the only way to bring about justice and equality.

Speaking truths to power is a way of life. It is about being honest, being courageous, and being true to yourself. It is about not being afraid to speak up, even if it means going against the grain. It is about being brave enough to stand up for what you believe in.

Speaking Truths Quotes (6 quotes) - Goodreads. Regardless of how capable or skilled or experienced or savvy we are, too many of us struggle to fully speak our truth. It is time to change this. It is time to speak our truth.
