The German Shepherd Dog is one of America's most popular dog breeds — for good reason. Dog Breed Group: Herding Dogs The German Shepherd Dog, also known as the Alsatian in Great Britain and parts of Europe, is one of the most popular breeds in America. Believed to be the breed the police dogs and military working dogs are based on, the breed has been used in herding and guarding. The breed is also known for its intelligence and loyalty, making it a popular choice as a family companion. German Shepherd Dogs are often used in police work, search and rescue, and as guide dogs for the blind. The breed is easily trained and is known for its ability to learn quickly. German Shepherds are also known for their strong athletic ability and are often used in dog sports such as obedience, agility, and tracking. The breed is known for its long coat, which requires regular grooming, and its large size, which can make it difficult to handle. Despite these challenges, the German Shepherd is a popular breed due to its intelligence, loyalty, and adaptability. The breed is a member of the Herding Group and is considered to be a working breed. The breed's energy level is high, and it requires regular exercise and mental stimulation to keep it happy and healthy. German Shepherds are generally good with children and other animals, but they may need some training to be socialized properly. The breed is known for its loyalty and protective nature, making it a great choice for a family with children or other pets. The breed's coat can be long or short, and it comes in a variety of colors, including black, brown, and black and tan. The breed's height ranges from 22 to 25 inches, and its weight can range from 65 to 90 pounds. The breed's life expectancy is 10 to 12 years. German Shepherd Dogs are intelligent, energetic, and hardworking, making them great companions for their owners.
